Just listen to this!™

THX CERTIFIED

Classic Home Audio Style and Performance!

Whether it's a gently bowed cello or a screaming electric guitar, musically sophisticated ears like yours demand full, accurate sound. Featuring a polished, piano-quality black finish, the MX5021 delivers big time in a powered audio system that not only sounds great – but looks terrific in your home or office. Two midrange drivers in each satellite produce extremely responsive sound, while the horn-loaded tweeter offers extra-wide dispersion of those crystal-clear highs. Not to be outdone, the woofer pumps out deep lows you'll feel in your bones. Add in THX certification for cinema-quality sound, and you've got an excellent alternative to a high-end home audio system.

MX•5021

2 Speakers +1 Subwoofer

Great Performance – Hear your favorite music accurately reproduced the way you know and love it.

Full, Accurate Sound – Each satellite features two midrange drivers with polypropylene cones for a more responsive, less distorted sound, and a horn-loaded tweeter for wider dispersion.

THX Certified – Enjoy cinema-quality sound!

Wireless Remote and Control Pod – Control of bass, treble and master volume levels is at your fingertips with both the wireless remote and the control pod. Just sit back and enjoy!

Auxiliary Input Jack – Connect two different audio sources – your CD player and MP3 jukebox – at the same time.

Headphone Jack – For private listening.

Color-coded Cables & Spring Clip Connectors – Ensures you'll be up and running in seconds.

Shielded Satellites – For use near video monitors.
